LICENSING FEE FOR FOREIGNER'S PRIZE-WINNING VIDEO GAME BUSINESS

The Ministry of Finance published Circular 39/2022/TT-BTC on June 24, 2022, outlining Decree 121/2021/ND-rules CP's for trading prize-winning video games with foreigners.

The charge for assessment, granting, and renewing the enterprise's certificate of eligibility for prize-winning electronic game company is VND 150 million, according to Article 5 of Circular 39.

A fee of VND 5 million is required for the re-appraisal, re-grant, and adjustment of company eligibility certificates.

The fees listed above are earnings going to the national budget. After the appraisal, the Ministry of Finance will notify the enterprises to pay the appraisal fee in accordance with the law after the eligible enterprises are awarded, re-issued, amended, and extended the Certificate of Eligibility for Business.

The enterprise is in charge of making a payment into the state budget after received the notice from the Ministry of Finance.

In addition, as once fee has been paid into the state budget, a company may only be granted, reissued, adjusted, and extended the Certificate of Business Eligibility.

This Circular is effective beginning August 8, 2022.

ADDITIONAL CASES OF SPECIAL CONSIDERATION FOR GRADUATING FROM HIGH SCHOOL IN 2022

On June 28, 2022, the Ministry of Education and Training issued Decision No. 1816/QĐ-BGDĐT providing for additional people who are privileged to be considered for recognition of high school graduation and the conditions for being special in 2022.

The Ministry of Education has included a case when a candidate with a confirmed case (F0) is being followed, getting inpatient care at a hospital, or being segregated for treatment at home or a place of living. Who is taking the 2022 High School Graduation Exam is one of the cases that will receive special consideration for the 2022 High School Graduation Recognition.

In order to be considered for recognition of high school graduation, Candidates (F0) who are under observation, treatment, and isolation must have a certificate (F0) issued by an appropriate authority.

- For cases that a medical facility is directly monitoring and treating, the confirmation must be made by the medical facility;
- The head of the commune, ward, or township's Steering Committee for Covid-19 Prevention and Control confirms cases being isolated for treatment at home or in accommodations.

6 CHANNELS FOR PROVIDING INFORMATION OF STATE AGENCIES ONLINE

On June 24, 2022, the Government issued Decree 42/2022/ND-CP on the provision of online public information and services by State agencies in the network environment.

According to Article 5 of Decree 42/ND-TW, the "Website or Portal" of a state agency is a unified and centralized information supply channel for state agencies in the network environment.

In addition, based on specific conditions, state agencies can deploy other information supply channels for organizations and individuals in the network environment. Specifically:

- Data portal at ministerial and provincial level.
- Social network providing information on the network environment permitted by state agencies.
- E-mail.
- Applications on mobile devices providing information on the network environment allowed by state agencies, deployed centrally, uniformly and shared within the scope of ministries, branches and localities.
- Telecom office.
