## DETERMINING ELECTRICITY TRANSMISSION PRICES ACCORDING TO NEW REGULATIONS FROM NOVEMBER 22

Effective from 22/11/2022, Circular 14/2022/TT-BCT amends and supplements a number of articles of Circular No. 02/2017/TT-BCT dated February 10, 2017 stipulating methods, order of establishment, appraisal and approval of electricity transmission prices.

Circular amending Clause 2, Article 3 on methods for determining electricity transmission prices. Electricity transmission prices shall be determined annually on the basis of reasonable and valid expenses for power transmission activities of the Power Transmission Unit with a return on equity determined according to the electricity retail price plan applicable at the time of calculating the electricity transmission price or the decision of the competent authority.

In addition, the Circular also amends Clauses 2 and 3 of Article 10. Accordingly, Electricity of Vietnam is responsible for presiding over and coordinating with power transmission units to formulate annual electricity transmission prices as prescribed in this Circular.

## NEW REGULATIONS ON COMPENSATION AND FORCED LAND ACQUISITION

Circular 61/2022 takes effect from 20-11, guiding the estimation, use and payment and settlement of funds for compensation, support and resettlement when the State recovers land.

Accordingly, for projects in areas with difficult or extremely difficult socio-economic conditions, the level of funding for compensation, support, resettlement and forced counting (if any) is based on the actual workload according to estimates approved by competent state agencies.

If the project does not fall into the above case, without the enforcement of the tally, the amount of funding for compensation, support and resettlement shall not exceed 2% of the total funding for this.

In addition, projects and sub-projects must carry out forced tallying with the level of funds for organizing compensation, support and resettlement (excluding funds for organizing forced tallying) not exceeding 2% of the total funding for compensation, support and resettlement. Funds for the enforcement of land counting and recovery shall be based on the actual workload according to estimates approved by competent state agencies.
