## SIMPLIFYING ADMINISTRATIVE PROCEDURES IN THE FIELD OF CIVIL AVIATION

On September 15, 2022, the Government issued Decree 64/2022/ND-CP amending and supplementing a number of Decrees related to business activities in the field of civil aviation.

Accordingly, Decree 64/2022 amends in the direction of reducing and simplifying a number of administrative procedures in the field of civil aviation such as:

- Procedures for registration of IDERA documents (documents prescribed by the Cape Town Convention, which indicate who has the right to request deregistration or export of the aircraft);
- Procedures for granting and re-granting the License to provide aviation services at airports and aerodromes and the airport business license;
- Procedures for issuance and re-issuance of the Certificate of training establishment and rights to aircraft;
- Procedures for amending information on aircraft registration and aircraft rights.

Specifically, the enterprise provides passenger terminal operation services; Terminal and warehouse operation services are not required to meet the minimum capital requirements to establish and maintain an enterprise.

Decree 64/2022 takes effect from September 15, 2022.
